

# HORIZON SCHOLARS ACADEMY

*Beyond Limits*

## SUMMARIZED PROSPECTUS

### Our Mission

At Horizon Scholars Academy, we envision a community where students soar beyond their perceived limits, flourish academically, spiritually, and personally. Guided by faith, we empower each learner to discover their God-given potential, equipping them to impact the world with wisdom, compassion, and purpose.

### Our Vision

Our mission at Horizon Scholars Academy is to provide a Bible-based, character-building education that transcends boundaries. Through the A.C.E. system, we foster mastery learning, innovative thinking, and practical life skills. We prepare students to be lifelong learners, servant leaders, and ambassadors of Christ—always reaching beyond what seems possible.

### Our Motto

Our motto “**Beyond Limits**” encapsulates the idea of pushing boundaries, transcending perceived constraints, and reaching for new horizons. It encourages individuals to explore uncharted territories, embrace challenges, and strive for excellence without being confined by conventional norms or limitations. “**Beyond Limits**” inspires a mindset of resilience, innovation, and continuous growth, urging us to break free from self-imposed restrictions and aim higher than what seems achievable.

### Our Admission Policy

To qualify for admission into the Grade 7 or 8, a candidate is expected to have completed six years of primary education, and attained the age of eleven (11) by September 1 in the year for which admission is sought.

An Entrance Examination and Oral Interview will be conducted for all the candidates while offer of admission will be made to all successful candidates; the admission is either conditional or unconditional depending on the score obtained in the placement examination (see placement result sheet). A child’s place is confirmed upon payment of the minimum deposit within the deadline stipulated in the admission Letter.

### Our Curriculum

Our curriculum is intentionally designed to go beyond limits, nurturing well-rounded students who excel academically, spiritually, and personally. Here are the key components: Bible-Based Foundation, Mastery Learning (We embrace the A.C.E. system, allowing students to master concepts before progressing), Core Subjects (Mathematics, Language Arts and Science), Life Skills and Practical Application (beyond academics, we equip students with life skills—financial literacy, time management, critical thinking, and problem-solving), Character Development (our curriculum emphasizes integrity, empathy, and servant leadership), Enrichment Programs (Robotics, coding, and entrepreneurship ignite creativity and innovation), Individualized Paths (Students progress at their pace, ensuring mastery while Teachers provide personalized support).
